People interested in information about Consist as an employer will have the opportunity to find it at the 25th annual Company Contact Day at the Kiel University of Applied Sciences on November 2, 2016, in the Kletterhalle at booth C 01.

Kiel – Once again this year, Consist Software Solutions will be taking part in the Company Contact Day of the Kiel University of Applied Sciences with its own exhibition booth (Booth C 01 in the Kletterhalle). Potential applicants can get information here about Consist as an employer and about open positions.

The largest student-organized jobs fair in Northern Germany will take place on November 2, 2016 from 9:00 AM to 4:00 PM at the Kiel University of Applied Sciences. The motto of this well-known jobs fair is "Looking for a job, thesis, or internship? Find the start to your career at the Company Contact Day!" Companies present themselves here to make direct with students and graduates. Interested parties can visit the booths to engage in personal discussion about current job openings, entry-level opportunities, and the company as a whole.

# Company Portrait

Consist Software Solutions is an IT service provider that recognizes your IT needs and supports them in three ways over the entire software lifecycle:

- **Projects** as a complete solution or for subtasks, for
  - new developments, Business Analytics / Big Data, integration, modernization and consulting
- **Managed Services** with individual service levels up to 24/7 for
  - application management and maintenance (bug fixing, modifications) as well as
  - system monitoring and operation (routine supervision, release management, error coordination)
- **Products** for innovative solutions in the following sectors
  - Business Analytics / Big Data and Security, as well as
  - IT management

Use our three-plus decades of experience in successful software development and maintenance for medium and large companies from various sectors. You can rely on us – because we thrive on taking over responsibility as your partner.
