## **Consist Software Solutions is growing**

**IT service provider Consist Software Solutions, active throughout Germany, has opened its new location in Frankfurt as well as an office in Braunschweig. These locations, along with the company's headquarters in Kiel and location in Berlin, extend the company's local presence to new regions of Germany.**

Kiel – Consist Software Solutions has opened its new location in Frankfurt (Main). IT service provider Consist, with over 30 years of experience in the market, hopes to extend its regional proximity to customers in Southern Germany and the Rhine-Main region in this way. "I am very pleased with the activities of our new location. Under the management of Oliver Gompf, we are reinforcing our customer relationships in the central economic region of Germany, while simultaneously expanding our service offering locally, in particular for demanding Big Data solutions," says Consist Managing Director Martin Lochte-Holtgreven. Oliver Gompf's job, besides managing the location, is to provide very practical support to companies: Application cases for Big Data, digitization, and the Internet of Things can be clarified quickly and effectively using a well-established consulting and workshop approach.

Oliver Gompf comes to use from atlantis media GmbH. His core task there was expansion of the new business topics of CRM (Customer Relationship Management) and BI (Business Intelligence). Prior to that, he was the CEO of SG itmedia & Co. KG. About his new position with Consist, Oliver Gompf says, "Challenges have always inspired me. Here, I have the opportunity to work with an established company based on the market leader in the Big Data arena, Splunk, in a fast-growing, future-

# Company Portrait

Consist Software Solutions is an IT service provider that recognizes your IT needs and supports them in three ways over the entire software lifecycle:

- **Projects** as a complete solution or for subtasks, for
  - new developments, Business Analytics / Big Data, integration, modernization and consulting
- **Managed Services** with individual service levels up to 24/7 for
  - application management and maintenance (bug fixing, modifications) as well as
  - system monitoring and operation (routine supervision, release management, error coordination)
- **Products** for innovative solutions in the following sectors
  - Business Analytics / Big Data and Security, as well as
  - IT management

Use our three-plus decades of experience in successful software development and maintenance for medium and large companies from various sectors. You can rely on us – because we thrive on taking over responsibility as your partner.
